

## A Little Bit About the Teacher

My name is Michelle Middleton. I grew up and attended school in Pace, Fl. I graduated from Pace High School in 1996. I have a degree in Early Education Pre-K through 3<sup>rd</sup> grade. I began teaching at Pea Ridge Elementary in 2000.

I live at home with my husband, and my 2 children. I have a daughter named Marlee who is 13 years old and a son named McClain who is 11 years old. They are both in middle school now. I love teaching 2<sup>nd</sup> grade at Pea Ridge Elementary. I have taught Kindergarten and 3<sup>rd</sup> grade, and 2<sup>nd</sup> grade has been the best yet!

I enjoy spending quality time with my family. Marlee and McClain keep me very busy with different activities: cheerleading, piano, drums, basketball, softball, and gymnastics. I am very busy, but love every second of it! ☺

I love my family, friends, and your child. Thank you for allowing me to help make a positive difference in the life of your child. I promise to treat your child the way that I want my own children treated.
