

## **School Public Accountability Reports (SPAR) Location and Definition**

Florida's Elementary and Secondary Education Act (ESEA) School Public Accountability Reports (SPAR) are generated to comply with federal Every Student Succeeds Act (ESSA) legislation that requires annual report cards on the educational progress of schools, school districts, and state. The report contains information about your school: readiness, student performance, school safety, teachers and staff, Annual Measurable Objectives, and student demographics. These reports are initially published prior to the beginning of the school year. For specific information on the measurement of Annual Measurable Objectives for individual schools, school districts, and the state, please visit the website at:

**<http://schoolgrades.fldoe.org>**

All teachers employed at Pea Ridge Elementary School teach in field and are highly qualified. For statistical information regarding degrees, please visit the site listed below. To see the SPAR report for our school, visit:
