

Tribal Plan for 2017-2018

Colored Feathers will be selected Thursday, August 17 during PE and your students will be part of a "Tribe".

This is our new Positive Behavior System and
we are so excited!!

Our new system consists of students, faculty, and staff divided into eight "Tribes". Students will remain in their tribes until graduating from Pea Ridge Elementary School. Our goal is to encourage tribal/school pride, support tribal members, and increase academic achievement through improved attendance, behavior, work habits, and attitudes.

Tribes will compete to earn feathers which will earn the tribe ribbons for their Tribe's Wampum stick in addition to various rewards and awards.

Students/Tribes may earn feathers for academics, behavior, attendance, community service and even parental involvement.

We have high expectations and look forward to improvements in the following areas:

- ***Enhancing School Pride***
- ***Promote social /emotional growth and wellness***
- ***Interaction among grade levels for all involved***
- ***Student leadership***
- ***Faculty / Staff leadership***
- ***Variety of activities for student participation***
- ***Mentorship (staff and students)***
- ***Promote essential motivations for behavior and attendance***
- ***Community Involvement / Partnership***
- ***Increase Parent Involvement***
- ***Increase Student Achievement***
- ***Have tons of fun working as a TEAM!!! :)***

We are working hard to launch this new initiative. If you have questions or would like to help with this new program, please contact Wanda Beal in Guidance. We want and need your support!
